In each two-bedroom villa there are two separate bedrooms with their own ensuite bathroom, and a lounge room giving plenty of space and comfort for families.

LEISURE

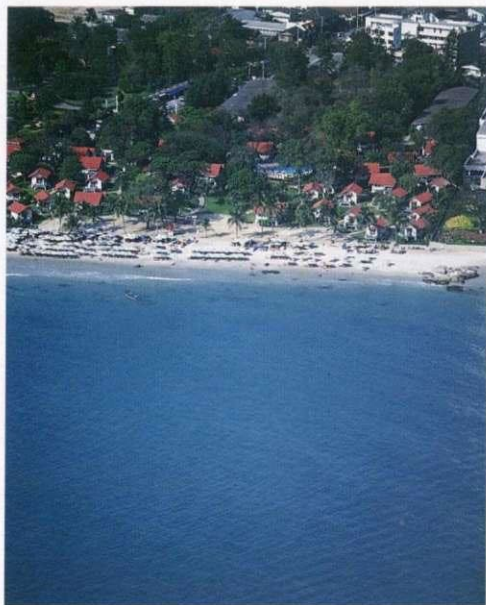

The Mercure Hua-Hin Resort has its own swimming pool overlooking the sea, and a complete range of land and watersports are available at the adjoining Hotel Sofitel Central Hua-Hin. These activities include tennis, a golf putting green, volleyball, and a snooker and games room.

The Mercure Hua-Hin Resort is the only hotel in the area with individual freestanding villas that is both by the sea, yet in the town centre. Just outside your doorstep is a variety of the town's shopping and entertainment.

DINING

Dining and entertainment gives you plenty of choice. The Salathai Restaurant, a long established part of the Hua-Hin scene is at the heart of the resort. The Terrace overlooking the pool area is an ideal place to enjoy a meal, while sitting under the long established shady trees. The Bar is just the place to unwind as the sun sets and the evening gets underway.

And of course at the Hotel Sofitel Central Hua-Hin there are 4 restaurants, 3 bars and a night club at your service. For your convenience all charges may be billed back to your villa.
